

Checklist: Housing

Finding an affordable housing in Jena can be time-consuming and challenging. Therefore we recommend to **start your search as early as possible**.

You can find an overview of the districts [here](#). Jena is a city of short distances. All districts are connected very well by local transport.

You can also search for apartments in the surrounding areas, for example in the cities of Weimar, Erfurt, Gera or Saale-Holzland district. Make sure there is a good public transport connection.

The rent in Germany consists of net rent excluding utilities (“**Kaltmiete**”) plus additional costs (“**Nebenkosten**”). Additional costs are costs for heating, water and operating costs. The rent with utilities included is called “**Warmmiete**”. Costs for electricity and telephone/internet are separate. You can choose freely from a variety of providers.
